PRESIDENT'S REPORT

Be aware at the end of April we have a weekend away run to Maitland. Good to see all the members get together up in that region for the Tocal Fair.

As the editor of this newsletter, I would like to request members to assist me with articles. Please send photos and editorial on anything you feel is Model A related. Allow me then to hold it or edit it and place in the newsletter. I do need your assistance to keep this newsletter interesting. Thanks in advance for any submissions.

Let me start by wishing all members a very happy Easter, enjoy the break.

Like to wish Norm Boshier all the best, he & Barb have had to cancel their overseas trip due to Norm's health.

There were some great runs last month. The Northern A's went to the Marine Rescue Central Coast and the Sydney group went down to Wollongong to the Nan Tien Buddhist Temple. This month we are supporting The Sylvanvale Foundation with their pre WW2 car show at Cronulla. A really good community cause.

Not long now before the National Meet in NT at the end of May. We have about 6-8 couples travelling north to enjoy Territorian hospitality. Please take photos and send them to me on your return.

We are also looking for a member to assist in the organisation of about 3 Maintenance Days throughout the year. If you think you can assist please call me.

Regards, Rob Taylor

NORTHERN A'S RUN TO MARINE RESCUE CENTRAL COAST - 28TH FEB

Model A'ers met at The Old Wyong Dairy on a glorious Sunday morning for coffee. Bob Brown then led the cruise to Volunteer Marine Rescue Central Coast Point Clare, a beautiful lakeside location where parking and a welcome party awaited. Roger Palmer, Unit Commander, gave an informative greeting about the selfless volunteer work of the rescue group, then invited the Model A members to inspect their well equipped control room. They do a significant job around the great Central Coast / Terrigal area recording and tracking those who use the waterways and receiving rescue calls 24/7. They are well trained volunteers who risk their lives to save others, but are only supported by fundraising to which we contributed in the form of raffle tickets. Interested members were invited to ride in their rescue boats with the enthusiastic drivers demonstrating the boats' capabilities.

All who attended are grateful to the Marine Rescue volunteers for the exceptional job they do and for their welcoming hospitality. They invite groups to visit and can offer catered lunches for up to 30. Marine Rescue NSW is raising funds in a registered raffle to be drawn 26th April, 2016. Details at www.marinerescue.nsw.com.au.

Thanks also to Bob and Elinor Brown for organising the lovely day and providing the delicious BBQ lunch they shared with our hosts. The Paice car not going, so hitched a ride with Barry Murdoch thanks. Di Paice reporting...

Wednesday Wanderers 2nd March Museum of Sydney Tour Report.

Mal & Nola Bradley had 14 wanderers come along to the Museum of Sydney Tour. They all felt the museum was fascinating, and well worth the visit. What really surprised them was after having arrived at the lunch venue just before 12md, they then experienced what could only be termed a plague of city workers descend on the venue when the lunch clock chimed. Unbelievable sight.

February Run to Nan Tien Temple...

Twenty four members and guests toured the Buddhist Temple in Wollongong in February. We had a wonderful tour guide named Robert, who took his time to explain the faith of Buddhism in a very entertaining, but educational way. The tour included a vegetarian lunch, which was interesting. Congratulations to those who drove their Model A's, as the weather didn't look that promising, but in fact turned out OK. Thanks to all who came along.
