PRESIDENT'S REPORT

I trust everyone had a most enjoyable Christmas break with family and friends. 2017 is now well on its way, so Easter must be just around the corner. Anyone spotted any Easter Eggs yet?

Again there was another big turn out by the Northern A's at Kate & John Taylor's for lunch in December. They do put on a wonderful spread.

Warragamba was a picture in December. Most members walked the wall and were impressed by the size of the waterway. It was a hot run home in the Model A though. This month there are two runs, the "Twilight

BBQ" at Deepwater Park on Saturday 21st, where we had a record turnout last year. The Northern A's have a Memorial Run on Sunday 29th to Broke. See details for these runs in this issue.

Two members have added to their Model A fleets over Christmas: David Cox a 29 Tudor LHD, and Col & Trish Bootle a 29 Phaeton. Looking forward to seeing both of these cars on runs this year. Ken Warburton is culling his fleet of Model A's by putting his 29 Roadster LHD up for sale.

I would also like to wish all those members who are unwell at the moment, a rapid recovery and a trouble free 2017.

Your new committee will be getting together shortly to bed down our 2017 run roster. If you live in NSW country, and would like to host a weekend visit to your area, please contact me. There is an Orange weekend planned for September.

Would those members who have not renewed as yet please do so, and if you are not going to renew, please advise us, thanks.

Regards Rob Taylor
