PRESIDENT'S REPORT

Harry Huckstepp won the prize. Well done Phil from all members.
 We had a very good display of A's at the All Fords Day not to mention the beautiful weather. It was good to see Neil Finns new restoration of his 29 Roadster Pickup on show. Ron Doyle had the pleasure of driving his car while Neil and Pat were enjoying Canada. Trophies were awarded to new member Brett Smith and Craig Finney. The midweek outing enjoyed a short trip on the newly extended Light Rail to Dulwich Hill. On the return trip we got off at the Fish Market stop where we planned to have lunch. As we got off and carried out our usual seniors head count we found we had lost one of our group. Tom said where is Carol, as the tram pulled out there she was walking through the moving tram. Well thank god for the mobile. Carol arrived back shortly after to a rousing cheer.
 We still have a couple of entry tickets to the C.M.C. car display at Eastern Creek. Please call Jim Haling. Please take note of the NEW Presidents Run to the Wyborns Man Cave inspection tour and maintenance day on Saturday 6th September. Hope to see Ladies as well as the guys come along.

Once again I begin my report with very sad news. Margaret Brown passed away on the 31st July. Margaret's service was held at Pinegrove Cemetery Eastern Creek on Saturday the 9th August. A large representation of our members attended Margaret's service. Our hearts go out to Robert and family through this difficult time. Especially so close after Gordon's passing. They were one of the nicest couple you could ever meet.

Once again the Daltons have excelled in the art of decorating, that is Christmas in July style. All those who attended enjoyed a wonderful meal and of course the odd drink or two. The duty manager was blown away with Phil's efforts. In fact he said it was the best he has ever had. He donated a \$200 meal gift voucher to be raffled.

Regards Mal.

A nice story about a friend of Di & Peter Paice in the Us

THE RESCUE

Heroism:

Aug. 2, 2014

There are some words that should not be taken lightly and Hero would be included in that category. A hero could be a person perhaps like a fireman who risks his own life to save another from a burning fire. Or a hero might be a surgeon who is first to perform a risky operation that has never been done before to save lives. Perhaps a hero could be a person in battle for his country who risks his or her life for another. Heroism comes in more ways than you can imagine.

Another form of heroism might be a person who without hesitation is willing to dive into a dark space, risking the possibility of being bitten by bats, venomous snake or enduring the chance of encountering a nest of rats, knowing the whole time there are colonies of black widow spiders that could be life threatening. Still with the threat of all these possibilities and others, this man is brave enough to rescue and save this 83 year old bones of a Model "A" Ford from the attack of rust, rot and decay that is taking away any future possibility of ever seeing life again as Henry intended it to be.

Such is the case of my hero, willing to risk it all to save this precious, almost lifeless 1931 Ford Model "A" Wide bed pickup.

These kinds of people should be recognized and honored as the true heroes they are to our hobby.

See you in Loveland 2016,
He'll call me Ruby

This article is a clever piece from our friend Ed James, Diablo As, near San Francisco.

He has just bought this rusty old pickup relic and will do an amazing restoration job as he has done with his As in the past.

Di Paice

Ed. Refurbished parts in the lounge room.. Neatly laid out on cardboard sheet. Ed lost his wife some years ago, so I guess that is why the parts are where they are..

Member Update:

Welcome to new member Richard Vowell. Richard with his brother Charles are going to live the A Model dream, and be part of a team driving two Model A's this month on the Variety Bash from Sydney to Perth. Some of our club members have assisted with the two cars, and we wish the boys well..

Vale Margaret Brown.. Just to advise members that Margaret passed away peacefully on 31 st July. Thanks to all those members who attended the service at Pine Grove..

The Wanderers August Outing Report

Wander's Trip to on the Sydney Light Rail System 6th August..

18 Wanderers caught the light rail to Dulwich Hill after their reviving coffee. It reminded those of us who could remember of the old trams in Sydney. We discovered a few new suburbs such as Arlington, Hawthorne, Dulwich Grove and Marion. On the return trip we alighted at the Fish Markets for lunch. Coffee and Cake at Market City completed a great day.

What more can one ask for, great weather, good company and a good time!

Rally by the Seaside

2014 Australian Model A Ford Rally

BUSSELTON, WESTERN AUSTRALIA, SEPTEMBER 21-27

Model A Ford lovers from all over the world will be making their way to the picturesque Busselton region in the south-west of Western Australia next year for the 23rd Australian Model A Ford Rally. There will be many great activities for participants, supporters and spectators to get involved in over the six days - including several event runs, concourse judging and a public display of these magnificent cars along the Busselton foreshore coinciding with the Annual wildflower festival. It's an event not to be missed!

We are expecting 200 cars from Australia and 60 cars from New Zealand and the USA to participate with nearly 700 rally participants and partners attending for the six days. As the event becomes more widely publicised through the international network of Model A Ford Clubs we hope to attract some cars from the UK as well.

We hope you can join us and take part in this unique event to celebrate these fantastic pieces of history in such a beautiful location. For more information about the rally, to register as a participant or to book accommodation please contact Ray Mahony on 0438 290446 or email to modela2014@outlook.com

The 2012 Rally held at Ipswich, in southern Queensland, was a great success with over 160 cars taking part in the four-day event showcasing these magnificent machines.

Visit www.bayviewhotels.com/geographe or www.geographebay.com/ for more information about accommodation.

The City of Busselton is located in the South West of Western Australia. It is a place of splendid contrasts, from tranquil waters to the rugged cliffs of the surfing coast, ancient caves, picturesque vineyards and magnificent forests. Busselton is the gateway to many attractions and towns in the South West of the State.
