February 2016

Club Meetings are held at Holroyd Community Centre, Miller St., Merrylands. The parking entrance is in Newman Street. Meetings are held from 8 pm on the second Friday of each month unless otherwise stated.

PRESIDENT'S REPORT

Well what a start to 2016... We have had a huge turnout at Deepwater for the twilight BBQ; the Northern A's had a very successful memorial run in memory of Jannifer Brown & many of our club members attended Paula Brown's to install her new reconditioned motor in the Phaeton. There are articles or pictures in this issue about those events. So thanks to everyone for your wonderful participation. It is good to see so many club members getting together, and it is what gives a club real spirit.

Coming up we have a fund raising day at Cronulla for Sylvanvale, another really good cause and what

looks to be a fabulous weekend away to Maitland on the last weekend of April. I know Cronulla is now fully booked, but I look forward to seeing lots of members in Maitland for a fun weekend.

We have an update in this issue regarding the 2020 National Meet. As you are aware we will be the host club in 2020, so a committee of key personnel need to form to commence preparations. Please read this article and let me know if you can assist.

I'd like to take this opportunity to welcome new members David Cox, Peter & Paul Gidley, Mick Owen, Brett & Brenda Simpson & David & Helen Wallings. Looking forward to meeting you.

I would like also to farewell some members who have decided for various reasons to resign this year; Lindsay & Elaine Baker, Cliff & Jan Burvill, Peter & Rose-Marie Kellaway & Brian & Julie Pollard. I wish you all well in the future, and thanks for your past club support.

Remember the Northern Territory National Meet is coming up, and details are once again in this issue.

Regards, Rob Taylor

Wednesday Wanderers Feb @ The Movies

We had an excellent roll up of 18 at Circular Quay to catch the 10am ferry to Cremorne. A beautiful day on the harbour to start off the day. After a delicious snack sitting in the sun we proceeded to the restored Art Deco Orpheum Theatre. A very interesting movie on the 2008 financial crisis, showing the collapse of the US banks following the reckless sub-prime lending on housing loans. Thank you Barbara and Norm for the relaxing day and the information we acquired from the

movie. Don Bailey

Members rally together to help Paula Bullen

As many of you would be aware, Paul Bullen died suddenly last year. The weekend before his death he dropped his engine off to be reconditioned by Bob Croft.

Well the motor has been reconditioned, and Leon Panov organised for a member day at Paula Bullen's to install the motor. That happened on Saturday 13th Feb. Thank you to all those wonderful people who attended and leant a hand. This is what membership is all about.

2020 NSW National Meet

We have identified the following key roles for the 2020 meet:

- Rally Director
- Rally Secretary
- Rally Financial Director
- Rally Events Director
- Rally Functions Director
- Rally Fundraising Director
- Rally Chief Judge

Once these positions are filled, sub committees under of each of these directors will be formed to start planning the 2020 event.... So the assistance of fellow members will be much

appreciated.

Thank you to both Charlie Vowel, Denver Isles & Ken Warburton who have already volunteered to be directors - exact positions to be decided soon. Another four positions for this key committee are needed ASAP. Please come and join us to make this a wonderful committee for the 2020 event.

The venue that we are seriously considering is Young. Col & Barry at Young are assisting here, and a visit will be planned soon to confirm this as our rally site. This is a great location with lots of opportunities. Rob Taylor

Deep Water January BBQ Report

With the filthy weather on Thursday & Friday, and reported trees down in Deepwater Park, I thought we would get a poor turn out. I am never ceased to be amazed at members enthusiasm - we 42 people attending and 11 Model A's. It was a very successful Twilight BBQ. Thanks to everyone who attended.

We were lucky with the strong southerly breeze which kept the mozzies away. Thanks to the BBQ team who worked two hot plates to supply sausages and onions to the hungry hordes.

Our long distance driving member Leon Panov thought he would just come on down for a snag or two, say hello then drive back home to the Central Coast.. This was a practice run for his Darwin challenge in May.

All in all a great start for the club runs this year. Also a big thank you to Neil Finn for his great appetizers .

Regards J Hyland.

The Jannifer Brown Memorial Run in January by the Northern A's.
