June 2014

Club Meetings are held at Holroyd Community Centre, Miller St Merrylands. The parking entrance is in Newman Street. Meetings are held from 8 pm on the second Friday of each month unless otherwise stated.

PRESIDENT'S REPORT

Once again Nola and I have just returned home from our clubs monthly run for June. Many thanks to Denise and Paul Cavanagh for another good days outing. Despite the overcast and wet day we did have a good attendance of members. The tour through the National Park From Waterfall to Stanwell Tops was a real picture painting. We all decided that the covered enclosure at the Woronora Dam would be a better lunch spot than Stanwell Park.

At last Fridays meeting Robert Brown Gave an update on his mothers condition after her very serious fall. Under the circumstances she is doing OK. On behalf of our club we wish her a speedy recovery. Also a get well to Larry Gee after a short stay in Hospital.

We had a good attendance at the Berrima Run, meeting our friends from Canberra. We had the cutting of the cake to celebrate the ACT's 45th year, see picture this issue.. And yes its not long to our milestone.

Ron Doyle now has the tickets for the Shannon's Eastern Creek CMC classic car show, cost is \$15. Also if you intend going to the Combined Ford's Day at the Eastern Creek Drag way give Ron a call as we have PAID for a set number of tickets.

Every one who attended our extra midweek outing to Miss Fishers TV Show's costume display were very impressed. Thanks to Barb Boshier for a very interesting day. Our June midweek outing was once again VERY well attended. We were pleased that Model A members from the USA made time to join us. How small the world is that I had met this couple in RENO NEVADA at the National Meet in 1980. They helped me with my Victoria restoration.

Mal.

Paice's US Trip

NORTHERN CALIFORNIA REGIONAL GROUP ROUNDUP - Hosted by Santa Clara Valley Chapter MAFCA

Milpitas, near San Jose, was the site for a fantastic annual Memorial Day long weekend celebration, May 23 - 26. The venue was the lovely 7-storey central courtyarded Embassy Suites Hotel, where approximately 200 Model As and over 400 people gathered. We travelled with our wonderful friend and host Ed from Alamo, recent president of the Diablo A's, in his 1930 Tudor 'Midnight'.

Friday

A parking lot swap meet of parts, tools and fashion ran all day. Pick'a'Prize had some great things to be won by buying and entering tickets in items of choice. Ed has made some brilliant sterling silver earrings in the form of Model A radiators, wheels, steering wheels, ahoooga horns, hood emblems, etc. He received more tickets than any of the other great items available. 3.30pm Seminar 'Furs are a Girl's Best Friend' where history, care and storage of furs was explained, and it was said that no matter what fancy name, i.e. mink, ermine, etc. it was still technically 'a weasel'. Interesting, but personally I prefer my furry friends breathing.

Saturday

Vehicle Judging in the carpark, while entrants were free to tour Moffett Field Historical Museum & Hangar One or visit Winchester House (most unusual house ever built). 1pm elegant fashion parade awards tea for presentations to the winners of original era and look alike fashion, stunning outfits worn by both women and men. Seminar for men was a technical information on modern paints. The Hubley Derby took place at 7pm with classes for 7yrs and upwards to seniors and modifieds.

Sunday

9am was the Grand Tour on an adventurous byway to the Sunol-Ohlone Regional Wilderness Park, 20 at a time. Everyone enjoyed morning tea after

the leisurely drive along the winding road which overlooked the big Calaveras Reservoir which supplies drinking water for the surrounding areas including San Jose. Scenery not unlike an Australian country drive, some eucalypts as well.

1pm there was a Gymkhana with about 40 vehicles participating. Ed, Peter and 'Midnight' enjoyed 7 driving events plus a few walkup events testing the memory and knowledge of Model A tools and parts. Their strategies didn't seem to pan out exactly as planned. They had lots of fun, but did not place in the trophy handout. Everyone crowded into the carpark to watch this spectacle.

The Awards Banquet was a lovely dress up occasion with accolades to the organizing club for their wonderful event. The weather was amazing, we rekindled friendships with people we had met on our previous trip to the 2010 International Model A Rally in Vancouver BC and made some lovely new Model A friends.

Bruce Davis, former MAFCA President, and driver of one of four Model As to visit Australia in 1982 as part of an around the World Tour was present. He posed for a photograph with us is for our friend Mal Bradley who assisted the Americans with their cars. Mal bought Bruce's 1930 morning suit, but perhaps Bruce was a little leaner then.

Di & Peter Paice

"I've tried all cigarettes and there's none so good as LUCKIES. And incidentally I'm careful in my choice of cigarettes. I have to be because of my throat. But me alone is one who always reaches for LUCKY. It's a real delight to find a Cellophane wrapper that opens without an ice pick."

Jean Harlow first set the screen ablaze in "Hell's Angels," the great air film, and she almost stole the show from a fleet of fifty planes. See her "Giddy-Up" Fox film, and Columbia's "Platinum Blonde."

Congratulations Andrew Benoit on finding a Fordor

After visiting Brown & Brown at Woy Woy, Andrew travelled out to Windsor to look at a 29 Fordor owned by Stuart Hansen. Stuart purchased the car from Carl Ruder who purchased it off his mother 60 years ago. As a result of that visit Peter took the Fordor home to join his 1924 Model T Tudor & his 1946 V8 Deluxe Business Coupe. He appears

to have a Ford addiction, don't you think. The car is in good condition, but does need a little work to spruce it up, but it is driveable and now registered...

Well done Andrew..look forward to seeing her on a Model A run...

Andrew at left in Dubbo first weekend of June at the Early V8 Nationals.

You've gotta love the Roadster, I want one!!!!
(Andrew's car was not there, under repair)

Then on to The Hero of Waterloo Hotel for refreshments & lunch. We had a tour of the Historic Hotel cellars with an oral history. The conversation was animated between our-
