PRESIDENT'S REPORT

Dear Fellow Model A Members,

I am writing my last President's Report, as you know I have had to step down at the end of my first year due to medical reasons. I feel as though I have let the membership down, but unfortunately I have not had any choice in the matter.

So firstly I would like to thank all the members who I have been in contact with over the past year in my role as President. It has been a wonderful year, and I have thoroughly enjoyed the opportunity of leading the NSW Model A Ford Club. I would also like to thank my fellow committee members, who this time last year willingly jumped on board to assist me in running the club. Thank you to each and every one of you for your hard work and assistance, it has been a great year.

I would also like to thank Annette, my wife for not only putting up with me, but also assisting me in my role as President and Membership Officer. There are many things I could not have done without her help and support.. Thanks Annette.

At our AGM on Friday 8th November we elected a new committee to guide the club over the next year. I would like to thank all

those members who stepped forward and took on one of the many committee roles that were vacated. I wish you all the very best in the coming year.

I will still be an active member of the club, attending meetings and events. I have continued with the Membership role at the moment, but I am looking for one person to take that responsibility on in the new year. So if you think you would like to assist, please call me and I can brief you on the job.

I look forward to seeing many members at our Christmas Run, which I am organising. I would particularly like to see as many children as possible, whether they be grand kids, nieces & nephews or friends children. Christmas is a time for children, and I have some great kids activities planned for this event.

So thank you one and all, and Annette and I wish you a very happy Christmas and a Prosperous 2014.

Best wishes,

Neville Jones..

Northern A's Run to the Pryde's in October

On 27/10/2013 Northern A's had the pleasure to attend John & Maureen Pryde's in the beautiful town of Vacy.

Words can't describe the hospitality. We had 10 model A Ford's and 27 members. John opened his work shop where there

was a 1921 Stanley Steamer car on display. We would all like to thank John & Maureen for opening their home.

Regards Troy Parnell..

Sunday 20th October we ran to Oatley Park for Memorial Run

Sunday 20th October we ran to Oatley Park for our annual memorial run.

We had a great turn out with about a dozen Model A's. The Allingham's organised a wonderful picnic day, and the weather was just ideal. Everyone enjoyed the club BBQ, and plenty of discussions were had. Thanks to Maureen & Jim for organising the day.

Aussie Fords run for the hills

A small but perfectly turned out selection from the Model A Ford Club convoyed to the historic village of Berrima in the Australian Southern Highlands on 21 April.

Most of those present came from the Sydney area, 100km (or 2 hours) north. The clubs' flag-bearer was Peter Wigzell's superb Phaeton (above), one of three 1929 models, with Mal Bradley's Fordor and Ron Huckstead's Sport Coupe. Allen Stafford's 1931 Deluxe Phaeton is the only known right-hand-drive survivor on the road in Australia.

The Wanderers Melbourne Cup Event Report

Barbara and Norm Boshers in company with Tom and Carol Virgona exceeded themselves in arranging this tour. We were most fortunate to have these hard workers looking after us and we thank them for their time, effort and expense in researching and visiting the area to ensure everything ran smoothly.

Patricia and I arrived at the meeting place at Sublime Point on time to find that we were the only ones to come in a Model A. The others must have somehow forgot to bring theirs so we had better remind them in future. (Tut-tut.) Barbara Boshers and Joan Bailey arranged Melbourne Cup sweeps and after morning tea we left the scene for the Gerroa Fishermen's Club where we watched the running of the Melbourne Cup. Here we met up with former long time member Larry Smith and caught up on all the local news. Patricia decided she would sit on a chair which wasn't there and ended up to her dismay flat on her back on the floor. Fortunately apart from the odd bruise and embarrass-

ment there was little harm done thank heavens.

On the return journey to our lodgings we called in by invitation to Murray Alcock's who has a fine collection of Model Ts and vintage motoring memorabilia. Some of the Ts were hot rods and others were conventional and we appreciated seeing the extent and quality of workmanship of Murray's collection.

On the following day we drove down to the Fleet Air Arm Museum at HMAS Albatross Nowra. The museum we found to be both extensive and interesting. Several hours there was far too short and we must go back again sometime. Then we went off in convoy led by Larry Smith to lunch at Shoalhaven Heads where we were pleased to meet up with Gail Smith after quite a while.

In summary a great time was had by all and we thank the organisers for a great effort.
