PRESIDENT'S REPORT

Hello Again, it's so encouraging to be supported by conscientious and efficient committee members such as our Super Secretary / Editor who called late last night to remind me that this report (that I have not yet begun) is required to be in his computer early this morning. Thanks Rob, on the ball as usual!

Maroota Muster was attended by members in seven Model A's and five moderns in spite of the dreary weather. The public attendance was huge, making the event bigger and better than ever with generous support from local organisations to make it interesting and enjoyable for all ages. Neville Jones set up a display of his pristine vintage hand tools in the back of the Jones' company "A" van and received a prize for his effort. A substantial sum of money was raised to benefit this small rural school.

After gathering at Central station tea rooms for a heart starter, over twenty Wanderers wandered into the Chris O'Brien Lifehouse for a guided tour by two attractive and knowledgeable young ladies. This State of the art "one stop" Cancer treatment facility must be seen to be appreciated! The entire building produces a calming ambience and the bedrooms, each with a window to the world outside compares with any top class hotel. It is shameful that hospitals such as this must rely on public support and donations while governments spend our money so carelessly on other initiatives. At one stage we expected an emergency resuscitation when alarms were sounding throughout the building and staff rushing into the room that we were inspecting, it was first thought that one of our group was about to "Peter" out, fortunately Peter just happened to be leaning against the Emergency button on the wall. Our tour concluded with demonstrations of craft therapy and wig familiarisation, after which John Hyland did a whip around in order to make a donation in appreciation of the "hospitality" extended to us.

The Young Cherry Model A Ford Tour attracted twenty four Model A's, A 1934 V8 and several moderns on the weekend and you had to be there to appreciate how efficiently it ran. Barry and Margaret Rose and Col

and Jeanette Harmer with a few friends facilitated assembly sites, accommodation and meals that were at least as good as any rally that I have attended. The countryside that we drove through to reach the various places of interest had been carpeted with thousands of acres of beautiful yellow canola crops, interrupted occasionally by farms with flocks of live lamb cutlets casually grazing. Various local clubs and organisations co-operated to cater to our various needs throughout the weekend with a cheerful welcoming manner that is rarely found in big cities. Sunday night brought the farewell dinner with an excellent meal and pleasant music, everybody was too rallied out to dance to the music and as our Young experience began winding down, some "foreigner" with a name too difficult for the MC to pronounce gave a garbled speech in pidgin English thanking our hosts and their crew for their marvellous achievement. Monday morning the nearby senior citizens group rallied to send us off with a much appreciated hot breakfast. Thanks again Barry and Col.

The end of the NSW MAFC year is approaching with the Annual General Meeting to be held on Friday the 13th November at the usual venue. I strongly urge as many members as possible to attend the most important meeting of the year. With the AGM comes the need to elect the committee to run the club for the coming year, some of the current committee are able to re-enlist and some need to be relieved, please consider what position you are able to take on and be prepared to nominate for it.

Annual Fee become due on the day of the AGM but can be accepted early, bear in mind that the treasurer will be extremely busy on the night.

Well Folks, the sun is starting to creep through and so I will send this off to the Editor. Signed off by some foreigner (name too difficult to pronounce).

Regards Tom Virgona

August "Maroota Muster" Report

A big thank you to all the members who made the effort to drive their Model A's out in what could have been a very wet day. Your confidence paid off, as it turned out quite OK. The school raised on the day a \$26,630 clear profit. Not a bad outcome for such a small school and a very supportive community. Neville Jones's Model A and woodwork display took out the peoples choice award. Well done

Neville, a deserving winner.

Our grandkids are now in high school but they were there selling cakes, after they had spent most of Saturday making them. There weren't any let for my afternoon cuppa. It was a big community event and I'd like to thank you all again for your support.

Much appreciated. Peter Wigzell.

Northern A's run to Simply Smashing in August.

After a wet week, our visit to Simply Smashing turned out to be a great day. We had nine cars travel to this event, which was really pleasing. Raffie, the proprietor of Simply Smashing briefed everyone on the modern trends in the smash repair business followed by a tour of his state of the art workshops & facilities.

Simply Smashing put on a BBQ for all at the end of the visit which we all enjoyed. A Certificate of Appreciation was presented to Raffie at the end of the visit.

Thanks to Simply Smashing for a great day..

Thanks to Barry & Col for organising the “The Young Model A Rally”

The Young Rally ran over the first weekend in September. Thanks to Barry Rose, Col Harmer and their team who put on a magnificent event, from the “Welcome Dinner” Friday night, Saturday’s visit to the Temora Aviation Museum followed by lunch at the Rural Museum, then dinner Saturday night. Sunday saw us at the Cootamundra Swap Meet, followed by lunch at Harden with a visit to the Light Horse Memorial & Harden Museum. Sunday night capped the weekend off with a won-

derful farewell dinner at the Services Club. A very busy weekend where every detail was taken care of.

Thanks again to all the people involved and the many participating organisations in the Young District. Everyone left having had a wonderful introduction to the Young District and their friendly citizens. Well done Barry & Col..

CLASSICS GET A BETTER RUN WITH CONDITIONAL REGISTRATION TRIAL

Minister for Roads Duncan Gay today announced club vehicles would be on the road again and more often under a new conditional registration scheme trial.

"I encourage you to register with a club for the trial if you have a little beauty tucked away in your garage, so you can bring her out into the sunshine and feel the freedom of the road more often," Mr Gay said.

Original and non-original classic vehicles are currently restricted to club events and maintenance.

Under the two year log-book based trial, owners of over 30 year old vehicles that meet the safety requirements of full registration or the current Historical Vehicle Scheme will be able to opt-in via participating clubs for 60 days of general use each registration year.

"The current Historic Conditional Registration scheme remains unchanged as an option for enthusiasts but, this Government recognised that owners of conditionally registered vehicles had limited use – which was just restricting these mechanical pieces of art," Mr Gay said.

"We've incorporated safe, sensible additions in consultation with the community and stakeholders so owners and the wider community can revel in these vehicles' unique beauty more often."

This NSW Liberals & Nationals initiative will bring NSW into line with several other states while boosting opportunities in the automotive aftermarket industry which contributes \$11 billion to the Australian economy and employs 30,000.

The 60-day Classic Vehicle Log-book trial will commence on 1 October. To opt-in to the scheme contact one of the several hundred NSW enthusiast clubs or visit www.rms.nsw.gov.au/.

The Wednesday Wanderers

Wednesday Wanderers Trip to The Chris O'Brien Lifehouse at RPA. Twenty Wanderers enjoyed spring sunshine on the trip from Central to Camperdown. Upon arrival we marvelled at the architectural design of the Lifehouse. We were met by Alison Muir, Strategic Gifts Manager and her Planning Manager Amanda who took us on a comprehensive tour of this wonderful centre. After this tour you really appreciated the relaxing atmosphere created by this centre for all the patients during Cancer treatment. Thanks to the staff for one of the best tours we have done this year. We then moved down to the Marlborough

Hotel for a great pub lunch. Everyone sat and talked about this amazing \$200m complex. It is a credit to all those who fund raised to achieve such a world class cancer treatment facility.
Regards John Hyland

Wednesday 7th October we visit the Australian Museum at 1 William Street Sydney on corner of College Street, opposite Hyde Park.
