March 2019

Club Meetings are held at Holroyd Community Centre, Miller St., Merrylands. The parking entrance is in Newman Street. Meetings are held from 8 pm on the second Friday of each month unless otherwise stated.

PRESIDENT'S REPORT

Our club has been informed that member Brian Johnson from Gymea Bay passed away in December 2018. We send our condolences to his wife Shirley and family.

Get well wishes to Mick Rock who has had some stents put in recently and is doing well. There are a number of other members who are having health problems so we also wish you all well and a speedy recovery.

The maintenance day on March 2nd was well attended with thanks to presenters Trevor Davis and Mal Bradley. Thanks also to Bryan Wyborn who had Model A Parts for sale. All 26 members who attended had a really enjoyable morning.

We had 13 members turn up at Parramatta to go to the Lancers Museum on what turned out to be a very hot day. Wisely Joan and Don Bailey decided it was too hot and left early. Our guide John was very knowledgeable and made it an interesting day for all Wanderers who attended.

On 3rd April we will be visiting Cockatoo Island.

Tom Virgona is still looking for places to visit for the Wednesday Wanderers so please advise Tom of any places of interest.

Our club received a letter of thanks from the Loftus Tram Shed thanking members for attending and in particular Ken Warburton for his help. Ken is also organising the Pre-World War 2 car show at Cronulla on 14th April for the Sylvanale Foundation. This is a very worthy cause raising money for children and young people with disability. If you can bring your car along see more details in this issue. Please let your family and friends know as this is really a great day in Cronulla Mall.

The club is chasing up those members who have not renewed their membership so if you are one of those and wish to renew please do so now. Otherwise please inform Charlie Sharpe that you wish to resign your club membership.

Regards Robert Brown

Wanderers March Outing to Lancer Barracks Parramatta

Eleven Wednesday Wanderers gathered in Parramatta on 6th March to visit the Lancer Barracks, an Army Reserve Light Armoured Vehicle Squadron. Unfortunately it was a very hot Sydney day, so some of our Wanderers decided they best leave early. We had a wonderful tour of the barracks and displays, and our guide was full of knowledge which we heard every bit of.

Maintenance Day on Saturday 2nd March

Another great turn out of members with their cars. Trevor Davis captivated everyone with a talk on caster and camber. Mal Bradley went through the Model A gear box and why it jumps out of gear. Bryan Wyborn brought in a swag of parts owned by Ian de Beuzeville and sold them on his behalf. Ian you owe Bryan quite a few beers my man.

We also welcomed a Canadian couple, Jim & Brenda who are touring Australia.

Another great get together, lots of talk about Model A's and a lovely sausage sandwich to enjoy at lunch time. Thanks everyone for attending.

Our January Twilight BBQ at Deep Water Park

Once again had a great turn out for our opening club event of the year at Deep Water. Unfortunately the council responsible for this park have really neglected it! So although everyone had a good night, we are looking for suggestions for a new venue for a "Twilight BBQ" for 2020.
