

Model A Ford National Meet

Ballarat 2020

Newsletter No 1 – May 2019

Hello and welcome to the first official newsletter for the 2020 National Meet in Ballarat.

The National Meet committee is working hard to bring you another quality National Meet. We will be offering driving tours of the local area and attractions, along with seminars for both men and women.

Having been settled in 1837 by squatters and the discovery of gold in 1851, Ballarat played a significant part in Australia and Victoria's early heritage and democracy. After the Eureka rebellion in 1854 the laws around miners' rights were changed to give all miners a fairer go. Peter Lalor one of the leaders in the rebellion was later to enter parliament as the member for West Ballarat in the Legislative Assembly and later became Speaker of the House.

In this pack you will find the official entry form for the rally and the preferred accommodation list. The committee has worked hard with these accommodation venues to offer a range of options and have reserved rooms. Please support these venues.

Remember you must fill out an entry form to be part of the rally. The first 50 entries received will go into a draw, the prize is a refund of their entry fee. The expression of interest form you may have filled out previously is just that, an expression of interest and is why you are now receiving the entry form.

In the interest of making it easy for the entry co-ordinator, entry numbers will be allocated as entries arrive and payments are processed. Please do not request rally numbers.

Please contact any of the committee if you have any queries or suggestions.

Regards,

Rob Turner

Rally Director
