## PRESIDENT'S REPORT

I want to thank all of the members who attended the President's run to Grenfell and Cowra, the weekend of 21-22 September. We all had a wonderful time, especially those members who took along their Model A's. The town's people really enjoyed viewing our cars and it was especially nice to catch up with some of our country members who joined us for some or all of the weekend. For me it was personally gratifying to see the whole weekend run smoothly with everyone enjoying themselves.

Col and Trish Bootle's Wednesday Wanderers run to Tulip Tops was a great day out. 12 Wanderers attended and the gardens were amazing. Reminded me of how Floriade was when it first started. Wonderful day with great weather. Ian Irwin and his wife Ida from the Model A Canberra club came along to say hello. Thank you, Col and Trish for organising this event.

I have been informed that the Victoria club will be limiting entry numbers to the 2020 Model A National Meet at Bendigo to 220. Please send in your rally entry form ASAP if you intend to go. I would hate to see anyone miss out.

Our club still has some great outings organised for you for the rest of the year so please come along and enjoy the runs. Refer to details in the flyer.

**Please note the change in venue for the maintenance day on 2<sup>nd</sup> November.**

Looking forward to catching up with you at one of our outings.

Regards Robert Brown

Dear Club President

### **Log Book Trial – Historic and Classic Vehicle Schemes**

Transport for NSW recently conducted a review of the Log Book Trial, operating under the Historic and Classic Vehicle Schemes. As part of the Trial, Transport for NSW received feedback from a broad range of stakeholders to evaluate the effectiveness of the program.

From 1 October 2019, the Log Book will become a permanent feature of the Historic and Classic Vehicle Schemes. Transport for NSW will deliver a number of improvements to the scheme over the next 12 months based on the feedback received during the review.

Existing requirements introduced during the Trial will continue to apply to participants, including:

- Vehicles registered under the Historic and Classic Vehicle Schemes can be operated for 60 days of general road use each year, outside of club organised events.
- Each day of general use must be recorded in a Log Book issued at Service NSW branches.
- Owners wishing to opt into the Log Book program should be a member of a Transport for NSW recognised Classic or Historic Vehicle Club, or Approved Organisation participating in the Log Book program.

Information and updates to the Log Book program and proposed improvements will be communicated to Historic and Classic Vehicle Clubs and Approved Organisations in writing in the coming weeks.

Please ensure Transport for NSW has up-to-date club contact details, including a valid email address, so we can inform you of upcoming changes to the Log Book.

If you have any questions related to the Log Book program, please email us at:
