PRESIDENT'S REPORT

Welcome to the June Flyer! We're already half way through the year and it seems the older one gets the faster the time goes.

To the family and friends of Sandra Hodson and Pat Finn, on behalf of the club, I wish to extend my sincere condolences for your loss. Elinor Allen sent to me a CD of the 20 millionth Ford, a Model A rolling off the line. Her late husband, Bob had always enjoyed watching it. Elinor is moving into

Evergreen Aged Care and I wish her well in her new surroundings.
The Wednesday Wanderers had a very enjoyable day touring the Central Coast. I was sorry I missed this outing, but had another engagement. The maintenance day saw a big roll up of members and their cars. I would like to thank Mal Bradley for sharing his knowledge on the workings of the Model A carburetors. Congratulations to John and Marie Hyland who celebrated their 55th wedding anniversary. The President's run is fast approaching and I have organised secure parking for tow-vehicles and trailers if required, contact me for the address if needed.
Hope this report finds everyone healthy. Looking forward to seeing you all at the next meeting.

"How often do you dream?....."Last night I dreamt of a beautiful walk on a sandy beach" the husband said to his wife. That at least explains the footprints I found in the cat litter box this morning." she responded."

Until next time, stay safe

Col

Run to Everglades House in May

This was like a run of old. We all met at the Visitors Centre in Glenbrook where we had a coffee. Then everyone convoyed to Leura and the National Trust held the carpark for us at Everglades House. The weather was perfect, and we toured the house and the grounds. After our tour we drove to Wentworth Falls Lake for a picnic lunch. We picked the weather on this day.

What a turn out for our Maintenance Day in June!!

We had twenty seven members and 13 cars arrive for our Maintenance Day talk on carburettors conducted by Mal Bradley. Another beautiful blue winter's day, ideal for this event. Thanks Mal for a well prepared and presented talk. There was lots of discussion and ideas put forward. Great morning, finished off with a sausage sizzle. The only upset to the day was Trevor had to leave in a hurry, as Pat had had a fall at home. Fortunately all turned out well for Pat, but it put the wind up Trevor and the rest of us.

Wanderers June visit to Woy Woy

After so many car trips during the last year for our Wanderer's days out, it was great to get back to our train/ferry outings. Twelve happy wanderers met at the Eternity Café at Central Train Station for coffee and cake plus a catch up. A short walk across the concourse to Platform 9 where our Intercity Newcastle was waiting for the trip north. Robert & Jenny joined us at Strathfield and Mike & Sue boarded at Hornsby. The scenery from Berowra down to the Hawkesbury River is just a spectacular. On arriving at Woy Woy we were joined by Di & Peter Paice who trained down from Newcastle. From the station we crossed the road to the Bayview Hotel where we enjoyed lunch from their extensive lunch menu. After lunch it was an even shorter walk to the ferry wharf where we boarded the 'Saratoga'. This is a part of the Central Coast Ferry Fleet and had a very capable skipper who provided us with a very leisurely and panoramic trip to Empire Bay Wharf after a stop at Davistown. We then returned in the ferry back to Woy Woy. We farewelled the Paice's at the station who departed before us on the north bound train. A short while later our train arrived at the station for our southbound journey home to Central. The "Weather Gods" were smiling for us, it was a perfect day. Thanks Tom Virgona for organizing a wonderful day out.
