Model A Ford Club of NSW Inc

Web site www.modelafordclubofnsw.com.au
October 2021

Club Meetings are held at Holroyd Community Centre, Miller St., Merrylands. The parking entrance is in Newman Street. Meetings are held from 8 pm on the second Friday of each month unless otherwise stated.

PRESIDENT'S REPORT

December. An informal meeting will be held in November at Merrylands so that members can complete any paperwork they require and to renew their membership if they so desire. My thanks to Rob Taylor for offering his new work premises at 211 Woodville Road to host a Maintenance Day on the 9th November, so looking forward to getting together again. As per health orders you need to be fully vaccinated to attend these events. Next year all the restrictions should be lifted so I thought I would plan a celebration, I purchased a world map and then gave Trish a dart and said "Throw this and where ever it lands that's where I'm taking you when this pandemic ends" Turns out we're spending two weeks behind the fridge.

Another month has passed and we are still in lockdown. I hope all our members, family and friends have maintained their sanity and health during this time.

With some restrictions being lifted on the 11th October life should become a bit easier. As we have a new leader steering NSW and not knowing what restrictions might be in place in the near future the AGM will be held in

Until Next time
Stay safe
Col.

Wednesday Wanderers

Wednesday Wanderers are still on hold

Current COVID rules from 11 Oct

Member of the NSW Model A Ford Club must be double vaccinated to attend any club sponsored event, unless you have a medical exemption certificate. Please carry a copy of your vaccination certificate with you as proof of vaccination.

Health

Other requirements are:

- For indoor meetings you will still need to wear a mask
- We must follow the 4 square metre rule
- We must log everyone in to the event
- Outdoor gatherings, club picnics etc we can have up to 30 people

Please be aware, Singapore opened up with 80% double vaccinations two weeks ago when daily case numbers were 200. The first week open daily numbers climbed to 1500 and the second week to 3000. Double vaccination does not mean you will not catch COVID, but it does mean as a general rule you are less likely to require hospitalisation or die than the unvaccinated and 98% of new cases had only mild or no symptoms.

If you shop at super markets and big shopping centres with your family you could come into contact with both unvaccinated and infected COVID cases, so be cautious where there appears to be lots of people and have your mask available.

Annual General Meeting NOW Friday 10th December

Due to social distancing restrictions at the Merrylands meeting rooms, we have decided to postpone the AGM until December, in the hope these rules will be relaxed.

We have received nominations for all positions being vacated at this time, but look forward to further nominations which can be voted on at the AGM.

Meeting Friday 12th November

The November meeting will still be held, but not as an official sit down event. It will be like last year, to provide you with an opportunity to pop and renew your club membership, or have your Historic Declaration signed for vehicle registration. We ask you not to linger, but would love to see you.

Maintenance Day Saturday 6th November

Where: The new Sydney Safety Training Site at 211 Woodville Road VILLAWOOD, opposite Bunnings.

1. Coming from Parramatta turn left into site.
2. Coming from Meccano lights, turn left at McDonalds and do a U turn in Bunning entrance. Back at the lights turn right back towards training centre and turn left into site.

Please follow SST parking signs on driveway which will take you around the back of the building on right hand side.

Car Parking: All Model A's to enter the warehouse and park inside as directed. You will be given a cardboard oil collector for under your car. Moderns just park in rear carpark please.

Program:

- Morning tea on arrival
- Tour of training centre
- Q & A session in large training room allowing social distancing
- BBQ sausage sizzle \$5pp for lunch

Host: Rob Taylor 0434 314 198

Drag Link & Tie Rod - End Plug Adjustment

- Measure free length of spring
- Assemble parts into tie rod ends / steering drag link ends
- Screw the plug in slowly until it just begins to compress the spring
 - This point is zero spring compression
- Screw plug in further until plug depth from zero-point equals 25% of spring dimension
- **Plug adjustments effect wheel alignment**
