## PRESIDENT'S REPORT

I hope this report finds everyone fit and well as the pandemic restrictions are eased.

It's been two years since I was elected as your President and what two years it has been. I have had great pleasure organising some of the events we were going to hold and great disappointment when such events had to be cancelled due to COVID. The small number of events that were held by the Northern As and the

Wednesday Wanderers were very enjoyable outings and a great way to catch up and meet members for the first time.

Our AGM will be held in December and a new committee will be elected. I would like to thank the committee that served with me for all the hard work they have done as we emerge from the lockdown and I wish the new committee all the best as they take over the running of the club for the next two years.

Our coffee morning at Prospect Picnic grounds was a great day. We were joined by a number of members which made it a very sociable catch-up.

I would like to thank our Secretary, Rob Taylor for hosting the Maintenance Day at his new premises and showing us the safety courses that are held there for workers.

Whilst sitting on the couch the other day, after 121 days of lockdown I looked down at the dog and said "I can understand why you chew the furniture"

Stay Safe  
Col.
