April 2022

PRESIDENT'S REPORT

Looks like life is finally starting to look a little like pre COVID. Ken Warburton put on a wonderful fund raising event for Sylvanvale Homes at Cronulla. This event has not run in the past two years, and he changed location this year and therefore was a little anxious. Well it was bigger and better than ever, with a huge crowd to view all the pre WW2 cars. Our club had 11 cars on display, and three members won prizes, see the article in this issue of the flyer. Mark Tait, our new events coordinator has also been busy, and he planned a run to the Old Rubber Factory in Penrith earlier this month and a report will be in the May

Flyer. We also had a Maintenance Day at Rob Taylor's workplace, which was well attended, considering it was a very rainy day, pictures in this flyer.

Our Rally Committee continue in the detailed planning of this National event in September. You will have received your meals & merchandising form via email, and it is also attached to this flyer. The committee in May will send out an assistance request letter to all members, seeking your help during the actual event in vehicle marshalling, selling raffle tickets and rally check ins. If you haven't booked yet, but intend joining us, please put your booking form in now, to assist the committee in their planning. See our website for details.

Wednesday Wanderers have been out and about. We have had to make last minute changes to some events due to rain and flooding, but they are a flexible mob. Trust this flyer finds you in good health and had an enjoyable break at Easter, and are happy to back up for another long weekend for ANZAC Day.

Stay safe and well.
Regards John Hyland

Warbo Presenting Paul his Trophy

Club Member Keith Smith receiving his trophy for runner up In the Model A Ford Category

Club President John Hyland received a trophy

The winner of the Model A Ford Category was Mal Bradley's 1931 Victoria.

TV's Classic Restos Supremo "Fletch" joined us for the day to provide a professional coverage of our Classic Vintage vehicle extravaganza.

This year it was a delight to see a good cross section of Model A Fords on display from our club. A special thanks to all those members that made the effort to support the day.

Last but not least I want to personally thank everyone involved that worked tirelessly to make our event the gigantic success. We raised just over \$30K for Sylvanvale, which was amazing. A special thanks to those in the Model A Ford Club that graciously put their hands up to help out during the day. Phillip Dalton, Bob Ward, John Hyland & Keith Smith. Thanks a million. **Warbo**

Maintenance Day 5th March

It was another rainy day in Sydney, and although it limited the number of Model A's in attendance, we still had 16 members turn out.

Ren & David Cox both drove their Model A's as did Jim Haling. Thank you boys.

Mal Bradley gave an informative and enjoyable talk on adjusting your clutch and the power output of your generator. Thanks to Mal and all members who participated.

Vale ex member Bernie Morgan

Bernie will be remembered by older members as the life of the group and always with a big smile.

His funeral is Thursday 21st April at Forest Lawn Cemetery North Chapel at 2pm with refreshments in the Tea Room after the service.

Please if you knew Bernie and are available the family would like you to attend.
