June 2022

**Club Meetings** are held at Holroyd Community Centre, Miller St., Merrylands. The parking entrance is in Newman Street. Meetings are held from 8 pm on the second Friday of each month unless otherwise stated.

## PRESIDENT'S REPORT

Welcome to winter, sure has come with a vengeance, but finally the rain has eased. Norm Boshers funeral was well attended by club members last week. He was such a gentleman who will be missed by many in the club. It was great to see so many new people joining the club, welcome to you all. Please make an effort to join us at our monthly meetings and at our upcoming events. Our June run is to the NSW Rail Museum in Thirlmere. With luck the steam train runs to Picton and Buxton will be operating. Run details in this flyer.

Wednesday Wanderers picked a shocker of a day to visit Watsons Bay earlier this month. There were still six hardy wanderers who braved the wind and rain. Trust July's outing brings us a sunny Sydney winters day.

One of our more jovial members, Ken Warburton, recently flew to England to see the Queen. He was on The Mall with his Model A cap on during the big birthday parade. Did anyone see him in the news footage?

Mark your calendar for All Fords Day, Sunday 24th July and the Swap meet on Sat 23rd. The CMC Display Day is in August at Sydney Motor Sport Park, details this flyer.

Stay Safe and Warm at this time of year, kind regards, John Hyland

## **Sunday 24th July - All Ford Day Sydney Dragway, Eastern Creek**

The All Ford Day is a family friendly event held on the last Sunday in July each year. Organised by The Combined Ford Clubs of New South Wales, the day celebrates all of Fords finest. From trucks to drag cars and everything in between, come along and see over 1200 Ford vehicles on display.

The day is a "NO ALCOHOL" event and is open to the whole family. We have plenty of activities and

rides for the kids to enjoy, including face painting and pony rides. See some of the best original Ford vehicles in the country alongside some amazingly restored and modified examples. Talk to members from the various car clubs that make up The Combined Ford Clubs of N.S.W. Check out all the trade stands as well, you just might find that elusive spare part for your Ford project.

**Arrival** - Please arrive in your Model A between 7am & no later than 9am. Enter via Sydney Dragway Competitor Gate, Ferrers Road, Eastern Creek.

**Fee** - Entry fee is \$20 per vehicle

**Display Parking** - Upon entry you will directed to the Model A Ford Club display location.

**Departure:** Be aware for safety reasons no vehicles are to depart before 3:30pm

**Swap Meet:** This will be on the Saturday, 23rd July

**Whats on Offer:** Any & All Automotive & Mechanical Car – Truck – Motorcycle – Farm Machinery as well as any automotive memorabilia, collectables, man cave and mantiques. Tools, automotive books, magazines & clothing. Rail, aviation – **If it has an engine, we want it!**

## August Events

**Saturday 6th - Maintenance Day at Villawood.** We will be cleaning and painting all the Model A cutaways in preparation for the National Meet, as well as rolling posters. See you there from 9am, with a sausage sizzle lunch.

**Sunday 14th - 2022 Shannons Sydney Classic.** They are planning a bigger than ever day at Sydney Motorsport Park, Eastern Creek. 2021 tickets will be valid for this event.

## Burt Brothers Automotive Services

Just making people aware that I had a Model A Clutch Pressure Plate overhauled at Burt Bros recently. I gave them a very old looking clutch pressure plate, and they returned to me what looks like a brand new plate. Although they took a while to do the job, when it was finished it was superb. Cost of overhaul, \$160.00

They also do a wonderful job on brake relining and arching the brake drums.

**Location:** 118 Fairfield Street, Fairfield.

**Telephone:** 9681 1188

I know many members use them, but maybe some of you were not aware of their service.

## Wednesday Wanderers 6th July - Lunch at The Lantern Club

**Meet:** Lantern Club, 21 Roseland Avenue, Roselands at 11:30am

**Parking:** There is good parking out front.

**The Event:** Come and enjoy a few drinks, a laugh and delicious lunch by the cosy gas fire.

**Organiser:** Don & Joan Bailey 0404 1235

# Looking for a new Flyer Editor for 2023

I have been the editor of our Flyer now since 2011. I do enjoy the job, but I think I need a little break. We need someone with a little more flare and new ideas to take over the Flyer and give it a blood transfusion to add a little more life to the publication.

If there are any members out there who feel they would like to give it a go, let me know, as I would be more than happy to help you get started in 2023.

**HOLE FILLED WITH GRAVEL**

Disposing of used engine oil can be a problem. Solution: Dig a hole in the ground with a posthole digger and fill it with fine gravel. Then pour in the oil. It will be absorbed into the ground before your next change. Cover the spot with soil.

**USE CAR'S EXHAUST TO CLEAN CUSHIONS**

Using the exhaust gas of the automobile to clean the upholstery is the accomplishment of a recently invented device. An aluminum attachment is fastened to the exhaust pipe and the engine is allowed to idle. As the exhaust gas passes through this device suction is created at the inlet hole. Collected by a nozzle, the dust and dirt are drawn through the hose and expelled into the air at the rear of the car. It is made in three models, for cars of different size.

With the car's engine idling, gas from the exhaust creates a vacuum that cleans the cushions

## ***Flathead Show Day at Campbelltown Steam Museum in May***

The turn out for this show was a bit of a disappointment for the Early Ford V8 Club. I think due to all the rain and the soggy field, many show cars did not attend. The club had three cars on display, and they did attract a lot of attention. There was also an unfinished speedster which was towed in, a Model T, several later models 1940 and later Mercury's, a nice Chrysler (LH Drive) and several military vehicles of various shapes and sizes.

For those of us that attended it was an enjoyable morning with good company and plenty of chatting going on.
