PRESIDENT'S REPORT

The rain is still around, and as such many of our Invitation Runs in May were cancelled due to muddy venues. Marie & I with Mark & Maria Tait went to the Orange Autumn Tour earlier this month. We had a great weekend of vintage car runs, morning teas and huge lunches. We also caught up The Morrrows from Bathurst and the McGraths from Port Macquarie. This weekend was run by the Orange Vintage Car Club, they booked out their 100 car entry limit very quickly, and I would highly recommend this event to you next year.

I trust all our members are well, I know some have suffered COVID and are now recovering.

I am looking forward to see you at the Thirlmere Train Museum Run in June. They have done lots of work to improve the displays at the museum and extended the track for the train rides

Our National Committee are well into their organisation of the National Meet. Please get your rally entry and meals & events booking forms in to assist in planning.

I have just received notice that Norm Boshier passed away on Tuesday night. Our condolences to the Boshier family, and we will advise members of Norm's funeral arrangements when known.

Kind regards John Hyland

Wednesday Wanderers Report for May

This was supposed to be a visit to Canada Bay Museum after morning tea at Ron & Edna Cox's. The Cox's put on a superb morning tea of coffee and cake whilst we all sat on their balcony admiring the view over the Parramatta River to Putney Park. After such a relaxing morning, we all decided to just go to lunch instead of the museum. So the 16 of us headed off to Massy Park Golf Club for a very social lunch. Thanks to Ron & Edna for being such wonderful hosts.

Farewell to Norm Boshier

Norm passed away peacefully in his sleep on Tuesday night 17th May. Norm was a wonderful man and a long standing member of the Model A Club with his lovely wife Barb, who pre deceased him.

We will advise members via email of funeral arrangements for Norm when they are available..

Rest in peace
Norm.
