August 2022

## PRESIDENT'S REPORT

Its great to have the days getting longer and warmer plus with the Mexican Twins in neutral territory all's good.

We were blessed with good weather for All Fords Day. We had a great showing of Model A's and our club members also took home some trophies.

We were sorry to hear the passing of long-time member Eddie Tabone, our deepest sympathy to Vivian and Family.

The Maintenance Day/National Meet Pre-pack at Sydney Safety Training was really well attended. So the job of filling rally bags and sorting product was so much easier. Another day on Saturday 3<sup>rd</sup> September is planned for the final bag packs and equipment checks.

By the time you read this Shannon's Eastern Creek will be over, and again we look forward to another fine day of weather.

A number of members have been unwell, so I send the clubs best wishes to Trevor & Pat Davis, Pete Butler and Ken Shepherd.

The National Meet at Goulburn is now drawing near, and the rally bookings for all our proposed events have been very encouraging. Go "Rally of The RAM "

Please keep yourselves safe and healthy regards John Hyland

## Looking for a new Flyer Editor for 2023

**We're  
Hiring!**

EDITOR-IN-CHIEF

I have been the editor of our Flyer now since 2011. I do enjoy the job, but I think I need a little break. We need someone with a little more flair and new ideas to take over the Flyer and give it a blood transfusion to add a little more life to the publication.

If there are any members out there who feel they would like to give it a go, let me know, as I would be more than happy to help you get started in 2023.

Nominate at our next AGM.
