## Twilight Run Report:

The first run of the year to Lambeth Park on the majestic Georges River was well attended with around 10 Model A Fords, and about 40 members. We started the year with a relaxing picnic and a catch up on our Christmas activities. After a short committee meeting the BBQ was fired up, well actually the green button was pressed and a feast of sausages and onions on buns was prepared. A big thanks to our cooks and to the green light spotters, hope to see you soon at our next event.
