Model A Ford Group of New South Wales

President's Report

Dear Model A Ford Club Members,

Linda and I will be travelling on a trans Pacific cruise from Australia to the USA and Alaska from early April through to the end of May, so Josh will be standing in for me during my absence.

I'd appreciate it if you can please provide him with any support that he may require during this period.

There are some great club runs and invitation events over the next two months, so please do support these.

Don't forget to start your trip planning for the 28th Australian National Model A Ford Meet, "Rally through the Cane Fields" being held in

Maryborough.

Also, I believe that booking forms are requested to be returned by the end of April so that the Queensland Club can ensure that the events and activities planned can be finalised.

Upon my return I hope to see you all out and about in your Model A's.

Yours in Model A'ing,

Bill Daws

Nepean Dam

Club Run – Nepean Dam, 17th March 2024

On the 17th, we were met with inclement weather, characterized by a cold and wet day. Despite these conditions, a select group of dedicated members embarked on a journey to Nepean Dam.

Among them were John and Marie Hyland, as well as Ken and Sandra Young, who both navigated their Model A's through the weather, while the remainder of our attendees opted for their modern vehicles.

Lunch was generously catered, featuring a plentiful supply of sausages, onions, and bread. However, we encountered some challenges with the cooking process due to the Dam's barbecues being in urgent need of maintenance. Nevertheless, we managed to overcome these difficulties.

Despite the lower than expected turnout, those who attended found the event enjoyable. We remain hopeful that our next club run to Sublime Point on the 21st of April will see a more favourable turnout.

Wednesday Wanderers

Seven of our members convened at our usual coffee shop for a morning meet-up, with two additional members joining us later. Under the competent guidance of Jim Allingham, we embarked on a walking tour to the Opera House, basking in the glorious autumn sunshine. Our journey continued to the Museum of Contemporary Art (MCA).

As lunchtime approached, we unanimously agreed to dine at the cafeteria located on the fourth floor. Our view was somewhat obstructed by a large cruise ship docked at the Overseas Terminal. Post-lunch, we descended to the display floors to peruse the exhibits of what is often referred to as "art". While such displays require a certain level of appreciation, I personally found them to be a waste of space.

Despite this, our members thoroughly enjoyed the day, finding it to be a relaxing experience. All in all, it was a great day out.

Future upcoming events:

Wednesday 1st of May: Illawarra Escarpment Tour.

Meet at Stawell Park Kiosk for M/t (same place as last year). After M/T a drive down Lawrence Hargrave Dr over the Seacliff Bridge with a stop at the viewing spot then on to the Headland Hotel at Austinmer for lunch.

Wednesday 5th June: The June Wanders Day Trip is TBA we might have surprise installed for you. Details to come.

Regards,

John Hyland

Picton Cars & Coffee

Invitation Event - Picton Cars & Coffee— 14th April 2024

I had the opportunity to attend the Picton Cars and Coffee event. If you're a car enthusiast and have some free time on the second Sunday of each month, this event is definitely worth checking out.

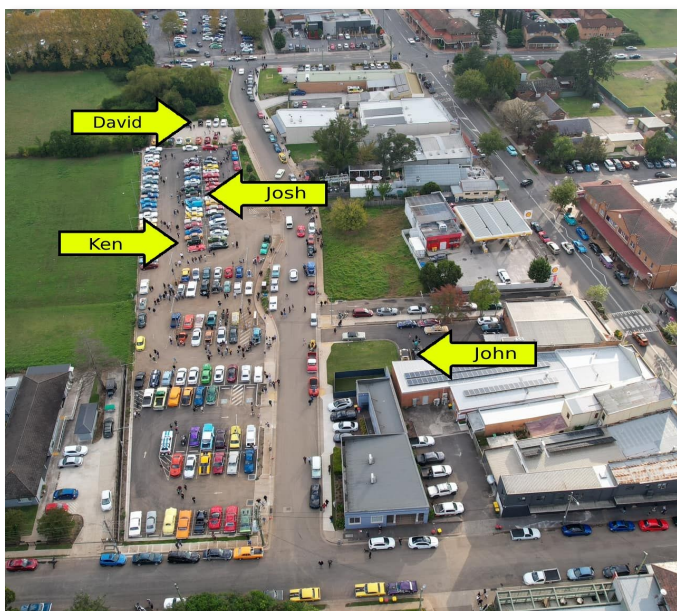

I was in the company of John Hyland, David Cox, and Ken Young, each of us bringing our own Model A's to the gathering. The event was a fantastic mix of the old and the new, with a wide variety of both modern and classic vehicles on display.

The atmosphere was friendly and welcoming, making for a great experience all around. While the event officially starts at 7am, the carpark tends to fill up by 6.30am. So, if you're planning to attend, I'd suggest getting there a bit early to snag a spot in the main carpark.

After attending this month's event, I'm thinking this might become a regular part of my monthly schedule.

Hope to see you there next month!
